The screenshot shows the myJUPAS website interface. At the top left, there is a breadcrumb trail 'myJUPAS'. The main header area contains the text 'Welcome to the JUPAS online application system' and the JUPAS logo on the right. A navigation menu on the left lists: Login, Create JUPAS Account, Forget Login Name, Forget Password, About the System, Help, and Contact Us. The main content area has two tabs: 'Applicant's Login' (selected) and 'School Staff's Login'. Below the tabs, there is a '(DEMO)' notice and the heading 'LOG IN to my JUPAS account'. A sub-heading reads: 'If you have already created a JUPAS account, please enter your *Login name* and *Password* below.' There are two input fields: 'Login Name:' and 'Password:', each with a 'Forget [field type]?' link. A blue 'Login' button is positioned below the password field. Below the login section, there is a link 'CREATE a JUPAS Account' with a user icon. At the bottom, there is a section titled 'IMPORTANT NOTICE'. A hand cursor is pointing at the 'CREATE a JUPAS Account' link. On the right side, there is a sidebar with the heading 'Other Users' and a sub-link 'School Staff'. A 'DEMO' button is visible in the top right corner.

BScCFFT

Short Description

Why BSc Computational Finance and Financial Technology?

The BSc Computational Finance and Financial Technology major has two streams, namely (1) Computational Finance Stream and (2) Financial Technology Stream.

Computational Finance stream is an interdisciplinary stream offering a comprehensive curriculum that covers state-of-the-art training in finance, mathematics, statistics and computer programming. The integrated application of these four areas is in great demand by today's financial markets.

Financial Technology stream gives students an interdisciplinary education in business, information technology, and innovation by training them in mathematics, statistics, programming, information systems, and finance. The FinTech core courses include blockchain, big data, cybersecurity, regulatory technology (RegTech), Python programming, machine learning, technology entrepreneurship, and Fintech capstone project.

Students from both Computational Finance and Financial Technology streams can apply for admission to the [Joint Bachelor's Degree Program between City University of Hong Kong and Columbia University](#). Upon completion of this joint degree program, students will receive the dual awards conferred by Columbia University and CityUHK.
